

Ohio National Guard Hangars

Herrick Archives Number S 9/10

A. IDENTIFICATION & LOCATION

1. Name

1.1 These buildings are not the property of the University and have no official University names.

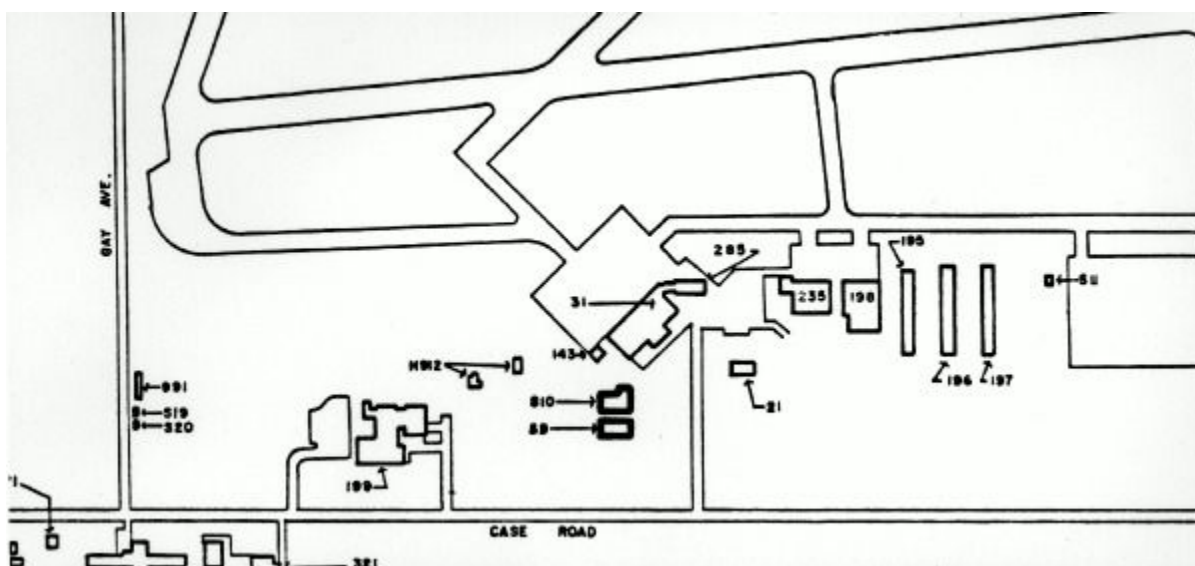

See Addendum No. 1

2. Location

2.1 Located at 3160 Case Road. See map below.

2.2 For greater detail, see Sheets DS 77 and DS 89 in the book of campus maps in the University Archives.

See Addendum No. 2

For identification of other buildings shown, see Appendix A.

3. General Description

These buildings are of concrete block construction with corrugated transit roofs. University records do not include details of these buildings, but correspondence at the time of construction indicates that each one is basically 52' x 109'.

See Addendum No. 5

B. PLANNING & CONSTRUCTION

1. Both buildings were constructed by the Ohio National Guard.
2. The Board of Trustees on May 10, 1948 approved the construction of the buildings. Brigadier General Cooper was so advised by a letter from President Bevis two days later.

3. A letter dated March 24, 1949 from Kenneth R. Warman to President Bevis and an accompanying drawing dated March 1949 (ONG Drawing 49-6) indicated the Building S 10 was "existing" and requested permission to change the location of the "proposed ONG Hangar" (S 9). The letter indicated a desire on the part of the ONG to have the second hangar under contract by July 1, since the appropriation for its construction expired at that time.

Permission to change the location was given by letter from Jacob B. Taylor to Mr. Warman dated May 5, 1949.

4. It would appear from the above information, which comes from the Bevis papers in the University Archives, that Building S 9 was constructed in 1948 and S 10 in 1949.

C. PHOTOGRAPHS

D. MISCELLANEOUS

Building D on the sketch below was a paint storage shed. Mr. C. W. Kellenbarger, Aircraft Maintenance Supervisor, reports that this shed was constructed about 1967 and was later moved to the new ONG location north of Don Scott Field. No effort has been made to obtain precise dates.

See report for Building 031 for identification of A, B. and C.

February 16, 1973

ADDENDUM NO. 1

In October 1973 these buildings were assigned new names as follows:

S 9 --Hangar No. 6

S 10 --Airport Maintenance Building

John H. Herrick
November 6, 1973

ADDENDUM NO. 2

In May 1977, the address of these buildings was changed to 2160 West Case Road.

John H. Herrick
August 9, 1977

ADDENDUM NO. 3

Campus Planning records list S 9 as Building 238, and S 10 as Building 237.

John H. Herrick
July 19, 1979

ADDENDUM NO. 4

According to Kenneth Newstrom, Assistant Manager of the University Airport, these buildings were officially

turned over to the University on March 28, 1975, but had been used by the University from some time early in 1971.
